A PLEA FROM THE FOUNDATION STAGE

We are hoping to brighten up our outdoor area with some large scale creative work but school is only able to laminate A3 size paper to make it weatherproof.

Please contact Mrs Brundish or the school office if any parents have access to larger laminators to weatherproof our work.

Many thanks

P.T.F.A. A.G.M.

This will take place on
Tuesday, 30th March at 6.00 p.m.
A separate notice about this meeting is being
sent out by the P.T.F.A.

REMINDER CLASS ASSEMBLY

CLASS 1T
Wednesday, 24th March at 3.05 p.m.

RECYCLING

We would like to invite you to school on Tuesday, 23rd March at 3.30 p.m. so that your child can share with you what they have been learning about the importance of recycling.

On this day they will be participating in a presentation about recycling from Richard Winter, Acting Waste Policy and Projects Officer of the Environmental Services Department of Derby City Council. Richard will be available to answer any queries or questions you may have about recycling. Information and displays will be available. This will take place in the Art Room which you can access from the Key Stage 1 block.

We hope you will take this opportunity to support your child in learning about the importance of reducing, reusing and recycling and look forward to seeing you there.

TAG RUGBY

Big Congratulations to the Tag Rugby Team who played in a Tournament at Derby Rugby Club yesterday.

The team played 7 games, winning 4 and losing 3 (but only by a small margin!).

We will not know our final position in the Tournament until next week.

Mrs Lowe was really pleased with their performance. Well done Team!

And many thanks to the parents who helped with transport and supported the team.

SCHOOL NURSE 'DROP IN SESSIONS'

Jo Price, the School Nurse is running drop in sessions for parents at the following venues –
