WILLOW WEAVING

Many of you will have seen the beautiful willow sculptures now situated near to the chicken run and the pond. Thanks to Carole Beavis for her hard work in creating them and running the workshops for the children to help. Many thanks also to the PTFA who provided the funding (and to you, the parents, who contribute so generously to PTFA events). I'm sure you'll all agree that they are a wonderful addition to the school grounds.
