Many thanks to everyone for all the donations for the Summer Fayre – they are very much appreciated. All that remains now is for you to come along tomorrow and enjoy yourselves!

We raised over £100 selling refreshments at the two Sports Days and this will go towards the Musical Forest Garden project. Thanks to everyone who supported us.

INSET DAY

Please remember that next Friday, 9th July is a Staff Training Day (school closed to pupils).

Your School Crossing Patrol Service, which is part of the Road Safety section at Derby City Council, provides patrols at various locations throughout the city. Patrols are given comprehensive training after being appointed and supplied with a summer and winter uniform. Regular supervision is then given and on-going training and advice is provided. Annual group training meetings take place giving the patrols an opportunity to meet with other patrols and management to discuss ideas or concerns and be updated on any changes. This contact helps maintain team spirit as most patrols normally work alone.

In January 2001 the law changed allowing patrols to stop traffic for adults as well as children so they now provide a service for all pedestrians.

Rule 87 of the Highway Code states Motorists must stop when instructed to do so by a School Crossing Patrol or face possible penalties of

- A fine of up to £1000
- 3 Penalty point
- Disqualification

As valuable members of the community our School Crossing Patrols do a vital job in seeing pedestrians safely across the road. For children this is at the most vulnerable part of their journey. Patrols turn out in all weather, with a cheerful smile on their faces and a friendly wave to passers by.
