DATES FOR YOUR DIARY

A sheet showing important dates for your diary for the next academic year will be sent out on Monday. Please look out for it!

LOST FLEECE

If your child wears a fleece to school could you please check that he/she has the correct one. A child in Year 2 has lost his (named) fleece and it has not turned up in the Lost Property box.

SCHOOL REPORTS / ABSENCES

The number of sessions and absences on school reports seems to have been causing some confusion. To clarify the position: the number of sessions and absences are reported in half days (i.e. one week = 10 sessions)

DINNER MONEY

Please ensure you send your child's Dinner Money to school on **Monday morning** to enable the office to complete their accounts before the holiday.

Many thanks.
