NATIONAL WALK TO SCHOOL WEEK

16th - 20th May 2011

What a fantastic "Walk to School Week" we have had! Pupils (and parents) have used their initiative to think of ways of getting to school and teachers report that lots of points have been earned.

The winners of the Golden Boot award are Class 2RM. The result was very close - especially between the two Year 2 classes - with 2RM winning by just one point! They will now have exclusive use of the Trim Trail next week and also a bag of toys to play with.

Particularly noticeable has been the lack of congestion around school making pupils' arrival at school a much more pleasurable experience. Please keep up your efforts now that the official week is over.

REMINDER - CLASS ASSEMBLY

Red Class – Wednesday 25th May at 3.05 pm.

PTFA FUNDRAISING "VENTURE"

In order to share their products and services, the local Venture photographic studio is carrying out (in association with the PTFA) a questionnaire amongst parents, which they hope will help them to make Venture more readily accessible and relevant to modern-day families.

In return for participating in the questionnaire the local Venture studio will donate £5 for each completed questionnaire to the school's PTFA fund. In addition, a limited number of families will be invited to experience Venture for free at the local studio.

The questionnaires will be sent out on 23rd May and need to be returned to school by 27th May.

CAN YOU SEW?

Mrs Cannon is looking for volunteers to help the Year 3/4 classes with sewing. The sessions will take place on Friday afternoons commencing on 24th June and will last for three weeks. If you can help please contact either Mrs Cannon or the school office.

Many thanks.

PEREGRINE FALCONS

Please see the "flyer" which is being sent out today about the Peregrine Falcons which are, once again, nesting on Derby Cathedral.
