### SIMBA'S STORY

Many congratulations to all the children who were involved in the production of Simba's Story. All of the performances were outstanding, especially the evening performances where the numbers of children have been depleted. There have been wonderful comments from all who have had the opportunity to see the show and they were amazed at how well the children have done in such a short space of time. Many thanks to all the parents who have supported us in making costumes and, of course, to the members of staff involved who have worked so hard to make the show such a success. Particular thanks to Rachel Smith for giving up so much of her time to create a spectacular backdrop and wall hanging. They have transformed the hall into a small part of Africa. The understudies are having the opportunity this afternoon to perform for their parents and the school. We are all looking forward to another enjoyable performance.

### PETITS FILOUS - POTS MAKE POUNDS

We have registered with this great scheme that will help us make savings on equipment and we need your help!

All you have to do is save lids from any pot of Petits Filous. Each lid is worth 2p so with your help we will soon be able to raise a decent amount.

Please just bring them in to us (it would be really helpful if you could wash them first!). We will do the rest. The scheme is open until 31<sup>st</sup> July but please start collecting today.

You can find details of the scheme at:  
[www.potsmakepounds.co.uk](http://www.potsmakepounds.co.uk)

Thank you for your help and we look forward to receiving all your Petits Filous lids – collection boxes will be in classrooms and the dinner hall.

Mrs K Mitchell, Organiser
