### EXTENDED JOURNEY TO LEA GREEN

Some of the Year 6 pupils spent a very action packed week at Lea Green last week. They took part in a wide range of activities, including hiking, rock scrambling, low & high ropes, den building, firelighting, archery and a night walk. The weather was mainly cold and clear with the exception of one wet morning when they retreated to the sports hall! The Lea Green staff were very impressed with the impeccable behaviour and manners of our children – well done everyone.

The Year 6 pupils who remained in school also had a thoroughly enjoyable week. They took part in a wide range of outdoor activities involving the grounds and ECO projects, and also carried out some work involving Fairtrade products.

### SCHOOL DINNERS

Following the success of this week's 'Dinners around the World' please check with the office if your child would like to continue having school dinners next week. The Cook has to order the food supplies two weeks in advance and it will only be possible to accommodate a few extra children until after the half-term holiday.
