WALKING BUS NEWS

On Thursday, I took part in a special assembly and told the children about what we hope to achieve and hopefully they asked you to help out.

Potentially, all our children will have the opportunity to take part but this relies completely on parents volunteering for at least one day a week.

Even the longest routes will take about ten minutes. I will be standing next to the notice boards next Thursday and Friday after school with more information for you or you can email me: nova@novacomms.com or phone/text me: 07816 222523.

I look forward to seeing/hearing from you. Nova

YEAR 5 / 6 FOOTBALL TEAM

The Year 5 / 6 Football team played two games against St Joseph's last night. We won the first game 2-1 and the 'Man of the Match' award went to George Teeney. We won the second game 7-2 and the 'Man of the Match' award went to the whole team for their outstanding performance! Well done everyone!

SCHOOL PHOTOGRAPHS

We hope you have received the proof copy photographs which were sent home this week and that you approve of the new style, informal class photographs. Please note that **orders** must be returned to school **no later than Tuesday, 31st March**. Orders received after this date will incur an additional charge from the company for postage and packing.

SKILLS WANTED!

Do any parents have any carpentry or tiling skills? The pupils have made some more tiles and we would like to mount them in the same way as the wall plaque outside the main Reception entrance. All offers of help gratefully received!

HEALTHY TUCK SHOP REMINDER

THIS IS OPEN EVERYDAY
DURING MORNING PLAY
UNDER THE COVERED WAY

A SELECTION OF FRUIT IS
AVAILABLE AT 15P PER ITEM

PARKING ON THE SCHOOL DRIVE

I'm sure most of you will have noticed the poor surface condition of the school drive. One of the reasons parents are prohibited from using the school drive is due to the condition of the drive and any extra traffic obviously causes additional wear and tear on the tarmac.

Can I remind you that the notice outside the school gates re entering the school premises in a vehicle applies to **ALL** parents at **ALL** times, not just at the beginning and end of the school day. Any parent with a specific need to use the drive should contact the Headteacher directly to make an individual arrangement. Many thanks to all the parents who are already adhering to this rule.
