END OF TERM

Another term comes swiftly to a close and has, once again, been jam packed with visits, visitors and excitement. The displays around the school reflect the fabulous learning that has taken place in our 'Bird Enrichment'. The pond is very near completion and will be ready for use after the holiday. We hope the Trim Trail will be completed next term in time for the Year 6 pupils to enjoy the new climbing apparatus. Over the past few weeks many children have not been wearing the correct uniform, particularly footwear. Please could you make sure that children return to school dressed in the correct uniform as it really helps to instil pride in the children when they are dressed smartly.

I hope you all have a relaxed and fun filled healthy holiday.

School Dinners

A Message from the Kitchen Staff

Forget the '2 meals for a tenner'
at various restaurants
How about 5 meals for less than £10?
And probably more nutritious and filling
than many of the meals on offer at food outlets

School dinners are better now
than when many of us were at school
No more liver or 'frog spawn' pudding!

We now offer dishes such as
lasagne, pizza,
orange top hat sponge
and healthy chocolate cake

Every day there are 3 choices
Meat, Fish or Vegetarian
served with 2 vegetables
and potato or sometimes pasta or rice
with a choice of 2 puddings
Salad and bread are on offer daily
All this **and** a drink for just £1.85

All the meals are nutritionally balanced so you can be
sure your child is having a healthy meal.

For more information please have a look at the new
menus (accompanying this newsletter)

Please support school dinners and save yourself the
hassle of making packed lunches.

Thankyou
