SKILLS SHARE MONDAY, 7th DECEMBER at 1.15 p.m.

Come and learn how to measure your outdoor garden space. This skill can then be used to create your own design ready for Spring. Transition Derby will be measuring different features in the school grounds and welcome those who would like to learn more about how to apply this to a garden design. All parents welcome.

SCHOOL CHOIR

The School Choir sang at the Westfield Centre this lunchtime in the Centre's Annual School Choir Competition. We will find out on Monday if we have made it through to the finals which will be held on Thursday, 10th December.

SCHOOL PRODUCTIONS

Sales of Nativity tickets are going well. If you have not ordered any tickets yet please return your order form as soon as possible to avoid disappointment.

A letter will be sent home at the beginning of next week with details of how to order tickets for the Junior department production which will take place on Tuesday, 15th December at 2.00 p.m. and 6.00 p.m.

PARKING

Once again we have had a complaint from a resident of Hoylake Drive re inconsiderate parking on Thursday morning. They had to make an emergency visit to the hospital and found that they were only able to reverse off their drive with considerable difficulty. This obviously made a stressful situation even worse. Please park with consideration for our neighbours and use the park and stride scheme from the Honeycomb pub wherever possible.

INDIAN DELEGATES

We look forward to the visit by the five Indian Principles on Monday and Tuesday next week. A very full programme of class visits has been organised for them and no doubt your children will tell you all about it.

REMINDER - OPEN MORNINGS

Open Mornings are now finished for this term and will restart in the week beginning 18th January.

P.T.F.A. CHRISTMAS FAYRE

Many thanks to everyone who contributed to the very successful Christmas Fayre - either by organising, helping out, donating prizes or spending money! The P.T.F.A. will let you know how much was raised in due course.
