Silverhill Primary School Newsletter

15/2009/2010 (8th January 2010)

WELCOME BACK

I would like to welcome to you all to a new year and a new decade at Silverhill. I hope you all had a lovely break and enjoyed the festive weather. We would like to welcome all our new children and families to school and hope you will be very happy. We would also like to welcome Ms Born to the Upper Juniors.

Take 10

Please join in with the Take 10 routine in the morning. It is much more energetic than Tai Chi but is really good at getting the brain engaged. It is an expectation that everyone on the playground joins in!!

Trim Trail

Please may I remind you that the Trim Trail is only to be used in school time and not in the morning or the end of the day. This is to comply with Health and Safety Regulations.

Clubs

The children will be asked next week if they are interested in joining any clubs and these will be starting up in the near future. Information will be put on the website.

Push Chairs

In order to comply with Health and Safety procedures all pushchairs are to remain outside the school building. Thank you for your cooperation.

Parent Consultation Evenings

On Monday and Tuesday, 8th and 9th February there will be an opportunity to meet with your child's teacher and discuss their progress. We will let you know when the appointment sheets are due to be available under the covered way.

XMAS CARDS

Please recycle your Xmas Cards at the following stores-- WH Smith
TK Maxx,
Marks and Spencer.
Unfortunately there are no facilities at Tesco this year.

REMINDER - TEXTILE RECYCLING

Please remember that the next collection will take place on Wednesday,
3rd February.

PARKING

Once again we have received complaints from the owners of the shops on Draycott Drive. We have been asked to remind all parents (and particularly new parents who are probably not aware) that the **parking area in front of the shops is private property and is for the use of their customers only**. Some customers have been unable to park due to the increasing number of our parents parking in their spaces at the beginning and end of school. Similarly, please not park in front of the high gates which lead to the rear of the shops on Draycott Drive or in the gap between the hairdressers and the Natural Health Centre. Under no circumstances should parents park in the areas at the rear of the shops.

INSET

School will be closed for staff training on Monday, 22nd February 2010

POLLING

School will also be closed to pupils on Thursday, 6th May as it will be used as a Polling Station for the Local elections.
