## Silverhill Primary School Newsletter

16/2009/2010 (15<sup>th</sup> January 2010)

### WELL DONE EVERYONE!

Despite the bad weather during the last couple of weeks we are very pleased that the school remained open. Thanks must go to all the staff for managing to get to school every day in spite of some appalling road conditions and thanks also to you, the parents, for bringing your children whenever possible. Special thanks must go to Mr Smith, our caretaker, for ensuring that the paths into school were kept clear of snow and safe for us all to complete our journey.

### PUPIL CONTACT DETAILS

We're sure you all appreciate how important it is for us to be kept up to date with changes to pupil contact details and other information. To this end we are sending every family a contact form showing what details we hold about each pupil. Please check this form and return it to the school office as soon as possible. If you have any additional emergency contacts please write them on the form and we will add them to the records.

Many thanks.

### FLORA tokens

We are collecting the "Cooking with Schools" tokens from special packs of Flora. These can be exchanged for free cooking equipment. Please support us and send in any tokens you collect.

Many thanks
