

Sally tries to make lunches we like - sometimes they are not my favourite but we can have a sandwich option.

We would talk lots of different adults in school if we had a problem or worry.

Everyone is always polite and kind.

Families can be different than just a mum and dad. So long as the children are loved it doesn't matter.

Key Stage 2 pupils say that.....

We feel safe because there are always adults on the playground to help you.

Some children occasionally do call each other names - when this happens we need to get an adult so they can help us sort things out. We know it is wrong but sometimes the names just come out!

Sometimes there are other strategies rather than asking teacher like looking in our books or a dictionary. Sometimes the answer is in the work you are doing - the whole point is the teacher wants you to think for yourself!

There is always someone to play with but we could do with more space to play on the upper junior playground.

We learn about diet in science and what we need eat to be healthy. We have been doing lots of fitness in PE .
