

Dear Parents,

Please see overleaf the theme we are covering over the Spring Term.

In **English** this term our key learning intentions are;

- To reinforce basic rules of grammar and punctuation
- To draft and write their work using organisational features
- To adapt writing to suit the form, genre and style
- To use grammatical features such as modal verbs, relative clauses and parentheses
- To use dictionaries to check the spelling and meaning of words and use a thesaurus
- To extract meaning from texts using inference and deduction
- To read fiction and non-fiction extensively both at home and at school.

In **Maths** this term our main learning intentions are;

- To confidently recall all multiplication and division facts up to 12x12
- To multiply and divide decimals by 10, 100 and 1000
- To identify methods to solve worded problems
- To develop confidence in four rules (+ - x ÷) in written calculations
- To solve problems using fractions, decimals and percentages
- To solve problems involving ratio, proportion and scale.
